There was a young fellow named Percy,
Born a "he," but grew up vice-versa;
When his temper he'd lose,
All the ewe words he'd use
Were "Pooh, pooh!" and "Oh fudge!" and
"Oh, mercy!"

The largest single check ever paid into the
insurance department of Kentucky from one
insurance company was for \$30,526 and was

insurance companies.

DALEY ARRESTED

White Slave Crusader in Bad at Louisville Again

J. Paul Daley, the "white slave" crusader,
who was in Maysville a few weeks since, where
he made a couple of addresses, is having a
barrel of trouble at Louisville.

Some two weeks since he was under arrest,
and spent a night or so in prison, the charge
pending against him being that of libel.

Now, on Monday afternoon, Daley and a
woman giving the name of Lillian Reed, alias
Nann, were arrested, partially disrobed, in a
third-story room at a Sixth street house.
They were charged with loitering and disor-
derly conduct.

Daley declared that he had been trapped by
the police and insisted that it was the first
time he had fallen from grace since he joined
a Church about nine months ago.

Chief Corney of Louisville denied the charge
that there was a "frame-up," and asserted
that Daley was accidentally discovered while a
St. Louis crook was being sought.

COX HAS THE CALL

Maysville Man Choice of Governor
Willson, Senator Bradley and
Other Leaders For
Governor

Washington Dispatch to The Enquirer.

"Kentucky Republicans in Washington read
with delight the statement issued by Repre-
sentative Ben Johnson withdrawing from the
contest for Governor against former Senator
McCreary. His charge that the opposition to
him was based on the fact that he is a Roman
Catholic is regarded by Republicans as an
omen of Republican success in the campaign
next fall. They anticipate that the Catholic
voters in the Democratic party will take
umbrage at Mr. Johnson's allegation, and that
this will add strength to the Republican posi-
tion.

"Up to this time Lieutenant Governor Wil-
lam H. Cox seems to be the favorite with
representative members of the G. O. P. at
the National Capital.

"It is reported on excellent authority that
Governor Willson is exerting the influence of
his Administration in his behalf, and it is no
secret that Senator Bradley is disposed to favor
him as against Judge Ed O'Rear and
Attorney-General Breathitt."

A Little-Price Linen List.

Scarfs, center pieces and luncheon cloths of very fine linen with drawn work in exquisite patterns. These pieces
orned window and store decoration during the holidays and their condition is a powerful though mute argument
against our sleet-laden atmosphere. But prices have been shorn so close you won't mind the linens' rumpled state,
since it brings you the rare good fortune of such bargains. Prices vary so widely, as we have only one or two pieces
of a kind, we won't attempt details here. Come and make your own investigation. Every woman loves these lacey
beauty-pieces but rarely does the chance come to pick from such a handsome lot as this for such little prices.

OTHER LINEN SALE VALUES.

household uses, only 25c yard.

30 Years of Success

Thomas J. Chenoweth
Offers a Remedy for Ca-
tarrh. The Medicine
Costs Nothing if It
Fails

When a medicine effects a successful treat-
ment in a very large majority of cases, and
when I offer that medicine on my own per-
sonal guarantee that it will cost the user
nothing if it does not completely relieve
catarrh, it is only reasonable that people
should believe me, or at least put my claim to
a practical test when I take all this risk.
These are facts which I want the people to
understand. I want them to try Rexall
Mucuo-Tone, a medicine prepared from a pre-
scription of a physician with whom catarrh
was a specialty, and who has a record of thirty
years of enviable success to his record.

I receive more good reports about Rexall
Mucuo-Tone than I do of all other catarrh
remedies sold in my store, and if more people
only knew what a thoroughly dependable re-
medy Rexall Mucuo-Tone is, it would be the only
catarrh remedy we would have any demand for.

Rexall Mucuo-Tone is quickly absorbed and
by its therapeutic effect tends to disinfect and
cleanse the entire mucous membrane tract,
to destroy and remove the parasites which
injure the membranous tissues, to soothe
the irritation and heal the soreness, stop the
mucous discharge, build up strong, healthy
tissue and relieve the blood and system of
diseased matter. Its influence is toward stim-
ulating the mucous cells, aiding digestion and
improving nutrition until the whole body vi-
brates with healthy activity. In a compara-
tively short time it brings about a noticeable
gain in weight, strength, good color and
feeling of buoyancy.

I urge you to try Rexall Mucuo-Tone, be-
ginsing a treatment quickly today. At any time
you are not satisfied, simply come and tell me,
and I will return your money without question.
I have Rexall Mucuo-Tone in two
sizes, 50 cents and \$1.00. Remember you
can obtain Rexall Remedies in Mayville only
at my store—The Rexall Store, Thos. J. Chenoweth,
Second and Sutton streets.

Mayville Business Men's Club

Old Mayville Hum

Concern to Be Incorporated at Once
—Much Work Being Planned

THE PUBLIC LEDGER wishes to congratulate
the people of Mayville that at last they are
to have a demonstration of what a united ef-
fort among her business men can accomplish
when inspired by unselfish and personal
motives.

The time never was more opportune and the
outlook never so assuring for the building of a
"New Mayville" than in this inspiring year
1911.

At last night's meeting of the Mayville
Business Men's Club the attendance was large,
representative and wide awake, both to what
we need and the great ends we are about to
achieve.

Mayor Lee presided over the meeting, Vice
President Browning, absent.

The reading of the minutes by Secretary
Key, and the approval of same, was followed
by the reading by Attorney Stanley F. Reed of
the Committee on By-laws of the new articles
of incorporation and the new system of rules
and regulations of the organization. On
motion of Mr. Gordon Sulzer, the By-laws were
read section by section and voted upon as read
and adopted as read with only a few minor
changes in the phraseology.

ARTICLES OF INCORPORATION.

The articles of incorporation state:
"That we, S. P. Browning, J. W. Lee and J. N.
Kebao, do associate to form a corporation
under the laws of Kentucky.

Article I. The corporation hereby proposed
to be organized shall be named and known as
the Business Men's Club Company of May-
ville, Ky., etc.

Article III. The nature of the business
proposed to be transacted shall be to collect
and circulate valuable and useful information
relating to the manufacturing, industrial and
mercantile interests of Mayville * * * the
buying, leasing, holding and selling of such
real estate and personal property as may
seem proper.

Article IV. There shall be no capital stock
of the company.

Article VI. The affairs and business of the
corporation shall be conducted by twelve Di-
rectors, President and two Vice-Presidents.
The first Board of Directors shall be elected
by the Club at such time and place as
they, the incorporators, may determine, and
after that the election of the Directors at the
company's office at their annual meetings on
the first Tuesday after the first Monday in
January of each year.

Article VII. The highest amount of in-
debtedness or liability to be incurred shall be
limited to \$25,000.

Article VIII. The private property of the
members shall not be subject to the debts of
the Company.

These articles are to be filed at once at
Frankfort.

THE BY-LAWS.

The By-laws are of the same style and class
governing all similar concerns.

Any person of "good character" may enter
by paying \$5. The dues are \$10 a year, the
first \$5 being counted as part payment.

Regular meetings on the second Tuesday of
each month and special meetings may be
called by the President, or upon written re-
quest of five members. Fifteen members shall
constitute a quorum, etc., etc.

The Secretary read a very satisfactory let-
ter from C. and O. officials concerning this
Club and Mayville's industries. The letter
stated that Garrett B. Wall and M. H. Craw-
ley would be pleased to visit the Club and do
all in their power to boom Mayville.

The matter of naming a Committee of three
to prepare four pages of advertising matter
for the C. and O.'s Industrial Booklet, exploit-
ing Mayville, was put up to the President
and taken under advisement by him and the
Committee will be named this week.

The proposition of Mr. Gobbard to bring a
flouring mill here was referred to the Execu-
tive Committee.

Dog Funeral

Rabbit, the pretty little black and white pet dog of Mr. and Mrs. James H. Cummings of Market street, is dead. Rabbit's death was caused by a poisonous button picked up on Second street while in company with its Master returning from the Pastime Theater Monday evening. No one would have willingly poisoned the pretty thing.

It was simply an unfortunate accident. Every effort was made to save Rabbit, but it was not to be, and the pet of the household died while being ministered to by the sorrowing Master and Mistress. The body was embalmed and laid out in a handsome little coffin, a blue ribbon was tied around its neck and a bunch of flowers adorned the foot of the diminutive casket. It was, without doubt, the prettiest dog corpse ever looked upon, and hundreds visited the undertaking parlor of Mr. Cummings yesterday afternoon to view the pretty picture. Rabbit will be buried today in the family lot in the Maysville Cemetery.

Mrs. John Drew Better

McLeansboro, Ill.—"About five years ago," says Mrs. John L. Drew of this place, "I was afflicted with pains and irregularity every month. I suffered continually, was weak and despondent, and unable to do my housework. I took Cardui and in one month I felt like a new woman and worked hard all summer. I am now in perfect health and recommend Cardui to all suffering women." Every day during the past 50 years Cardui has been steadily forging ahead, as a result of its proven value in female troubles. It relieves headache, backache, womanly misery and puts fresh strength into weary bodies. Try it.

The HIGH COST of LIVING

Has been greatly reduced in thousands of homes in all parts of Uncle Sam's broad domain this winter through the use of

THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

The reason is plain. Cheapest slack in the Underfeed gives as much clean, even heat as the most expensive grades which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal underneath against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and Boiler users to effect an every year saving of 50% to 60%. Why give this good coin to the coal man? Put it in the Underfeed and let
